Western String Tour

String Workshop

Be inspired by string players who are your community teachers at Mitchell and Orange Conservatoriums.

Orange Conservatorium in conjunction with Mitchell Conservatorium is hosting a string workshop with players from the Western Sinfonia, in Orange on **Thursday 29 April 2010**. The workshop will take place in the main auditorium of Orange Conservatorium in Hill Street 6-7.30pm.

This is a unique opportunity for local musicians and string players to be inspired and learn from these leading and charismatic performers and musicians.

The **Western Sinfonia** is an exciting new string ensemble comprised of 8 highly experienced string players who share the common desire to make string music and performances more accessible in rural NSW.

Workshop music will suit most levels of experience and any bowed stringed instrumentalists are encouraged to register, as well as those who would enjoy or benefit from observing the workshop.

Adults who have some experience in ensemble playing are also encouraged to register for what will be an uplifting evening.
